

Barren River Area Safe Space, Inc.: In Memoriam

The Barren River Area Safe Space, Inc. started to create a statewide registry of the names of victims of domestic violence related homicide in 2001. The purpose of this registry is to increase public awareness of domestic violence related deaths and to honor the memory of victims who have lost their lives. In 2010 we launched "In Memoriam" a virtual living memorial on our webpage to remember Kentuckians who have died because of domestic violence. We accept submissions of photos and information from family members only. If you have a relative you would like honored on our site, please complete this form and attach additional documentation available (newspaper clippings, police report, court records). Also send a photo of the victim. Information may be send via email memorial@barrenriverareasafespace.com or by mail to: Memorial, Barren River Area Safe Space, Inc. PO Box 1941 Bowling Green, KY 42102
